2. Two new women's halls were added: Hawthorn and Khiyah.
3. Graceland goes "on-line" for the first time.
4. Individual rooms are wired for cable for the first time... as of yet, there still is no MTV.
5. Renovation of the Ad-building starts... and stops... and starts... and stops...
6. The college centennial begins

8. This is the year known in the annals of history as...

the year of...

It began with a simple Halloween decoration, but became much more. When it wasn't taken down, it was renovated for each season. It never went out of style...

...But... it was missing out on one thing.

Because this was also the year of the.....
